

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2005 Wisconsin Act 475
[2005 Senate Bill 406]

Youth Challenge Program
(Remedial Legislation)

2005 Wisconsin Act 475, suggested as remedial legislation by the Department of Military Affairs (DMA), changes the prior-law requirement that DMA report specified pupil information (the pupil's name and the name and address of the pupil's custodial parent or guardian) to each school district in which a pupil attending the Youth Challenge program is *enrolled*, to instead report such information to each school district in which a pupil attending the Youth Challenge program *resides*.

According to the DMA, this change addresses the fact that many pupils participating in the Youth Challenge program have been formally expelled from their school district, and are therefore not considered to be enrolled. Under the Act, DMA will report the pupil information to the school district in which a pupil attending the Youth Challenge program resides, whether or not the pupil is enrolled in the school district.

Effective Date: The Act takes effect on June 14, 2006.
